

The Viera Studio's Touring Company is an audition-based, dedicated, elite-team of our students who want to bring the excitement, love, and energy they have in the classroom onto the street and stage!

TWO GROUPS. TWO TEAMS. ONE FAMILY.

The venues are bigger. The stakes are higher. Not only are we doing local performances within the community every month, but Touring Company will be traveling like never before! We are looking for new recruits that not only exemplify the ideals and behaviors that The Viera Studio For The Performing Arts cherishes, but are ready to be challenged as a performer and as a member of our team.

COMMITMENT. DEDICATION. UNITY.

There will be intensive workshops, weekend rehearsals, and more, to prepare students for performances. For the first time: We will be creating two teams for touring company! Both groups will have their own individual opportunities to travel and perform. Normal rehearsals will be on Mondays, and in addition will have multiple weekend workshop intensives, and performances.
